## *Foreword*

As the great Gods of the Classic Myths excelled in everything, so have we striven to excel through our school years.

The Washingtonian of 1931 is designed to present a picture of school life during one of these unforgettable years.

To show in what degree we have succeeded in our attempts at following the finer examples of excellence set forth in these myths;

To renew our feeling of pride in a clean record of sportsmanship through defeat and success;

To act as a testimonial for a school spirit which has never waned;

To bring back memories of difficulties overcome;

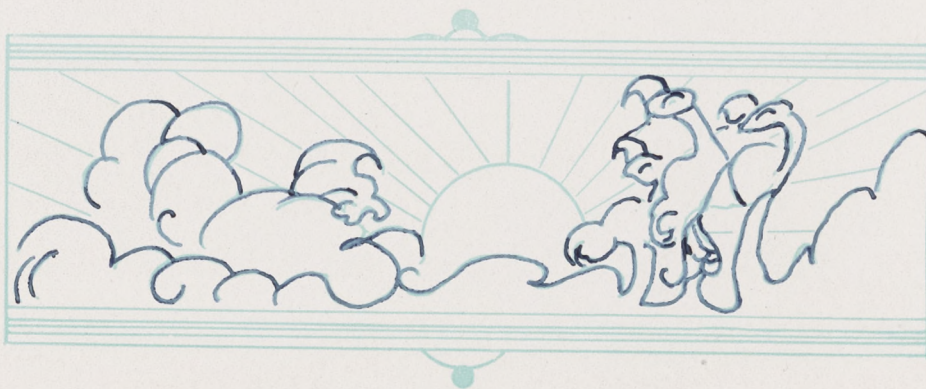

And to keep the goal toward which we were striving

And the ideals upheld in Washington Union High School

Fresh in the hearts of each one of us:

These are the aims of this chronicle.

It is our hope that in some measure we have accomplished them.

## *Dedication*

As an expression of our sincere appreciation  
For their loyalty in times of trial,  
For their never-failing interest  
In our various activities,  
For their ceaseless efforts as our advisors  
To help us in every way  
With wise counsel always ready when needed,  
And because of their unselfish sacrifice of time and labor  
in our behalf,  
We, the members of the class of '31,  
Dedicate this volume of the Washingtonian  
To our friends and advisors—

### PRINCIPAL'S MESSAGE

Dear Seniors of the Class of '31:

Your eyes are turned toward the future. Your hearts burn with hope, ambition, high aspirations. The world is before you. What impression will you make on it or will it make on you? What can you, individually, do to make the world a better place in which to live and in which others may live?

First, you can develop certain characteristics in your lives which will point you out as one who loves his fellow men. Cultivate unselfishness, think and live service, radiate happiness and hope, be democratic in thought and action, work with a definite purpose, take time to think constructively, sanely, and with directness toward some of the great problems of our day and of the future, develop the friendships of that type of person whose opinions you most respect.

Second, develop leadership in yourself by taking a firm self control. Aim definitely at that type of leadership which you will enjoy. Study the great leaders, applying to yourself such of their attributes as will most surely help you. Help others to develop their leadership. The world needs dependable leaders, unselfish and untiring, more than it needs anything else. Serve!

Third, live completely, training yourself to enjoy work, to recreate your powers through the proper use of your leisure time and to be an uplift to those with whom you associate.

The older generation are questioning the modern way. It is for you to prove that the world is getting better. Those of us who really know you, who feel your heart throbs of hope, have confidence in you and in your possibilities of accomplishment. Go forth and in the cause of better mankind, WIN!

---

In the fall of the year 1927 a group of eager freshmen entered the protecting portals of Washington Union High School. Their goal was the peak of knowledge; their byword, success.

Four years have taken wing; that freshman class with a few exceptions is about to take another long stride forward.

We leave Washington, to battle with a world greater, larger, but never any better, and we, the senior class of '31, feel that we are well prepared!

## *Class of '31*

Seniors of '31! Seniors, hurrah!  
Our pep will lead us and our class shall always win the honors.  
We'll fight for '31 all through the year,  
And as we swing along our guiding star is always shining clear.  
We're traveling on Life's road, none pass us by  
We'll never change our course and our aim is high  
We're striving for our goal, we're bound to win  
No other class can beat—The senior class! The class of '31!

—AGATHA WILLIS AND SOPHIE SWANSON.

## *Farewell*

Dear school, strange seas are calling us,  
In swift farewell we grasp your hand,  
Now we embark in mystery ships,  
Bound for an unknown land.  
Many a wave and wintry storm,  
We've buffeted with success.  
And now through calm and hurricane,  
We sight the sea's unrest.  
And Washington, in our voyage of Life,  
We'll remember these lessons taught.  
You guided our practice trips; we know  
Each mariner's good you sought.  
Then, farewell, old pals, we'll meet again,  
When we've staked our claims afar.  
And, now, shipmates, a rousing cheer  
As we steer beyond the bar.

—MITSUYE KAWAGUCHI.

## *Freshman Class*

A mighty band of shy, timid looking students entered the halls of Washington Union High in the fall of 1930. This freshman class broke the record of all the previous classes with an enrollment of one-hundred and sixty-three students. For the first few days they tramped the halls with a blank look on their faces, trying to find the correct room. The shy, awkward freshmen encountered many strange faces, but in the course of a few days they began to get acquainted with the high and mighty seniors, and with their fellow classmen.

They have taken a part in the activities of the school. They have participated in plays, band, orchestra, athletics, and operetta. It is surprising to know the number of things a freshman can do for the school if he really tries.

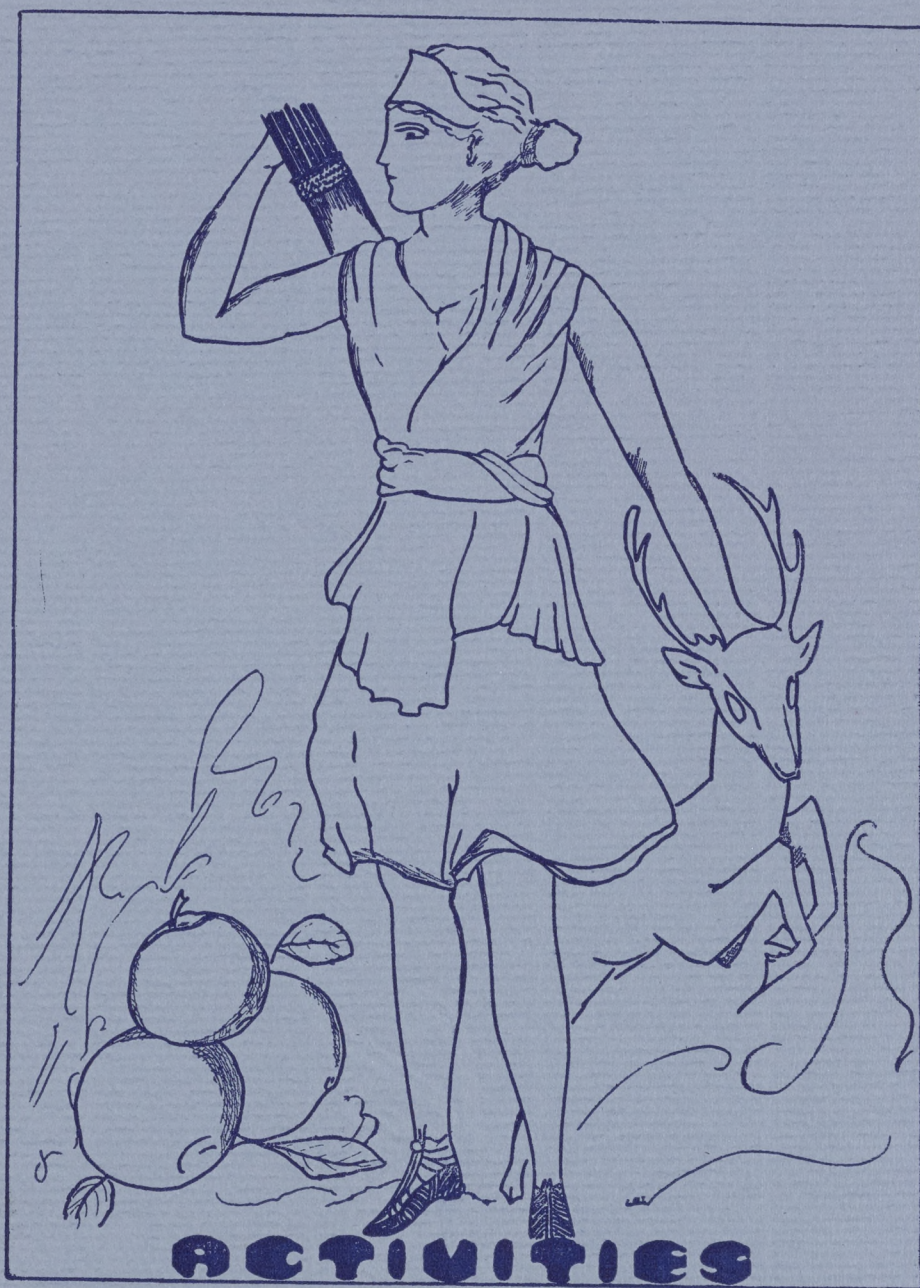

## *Our Library*

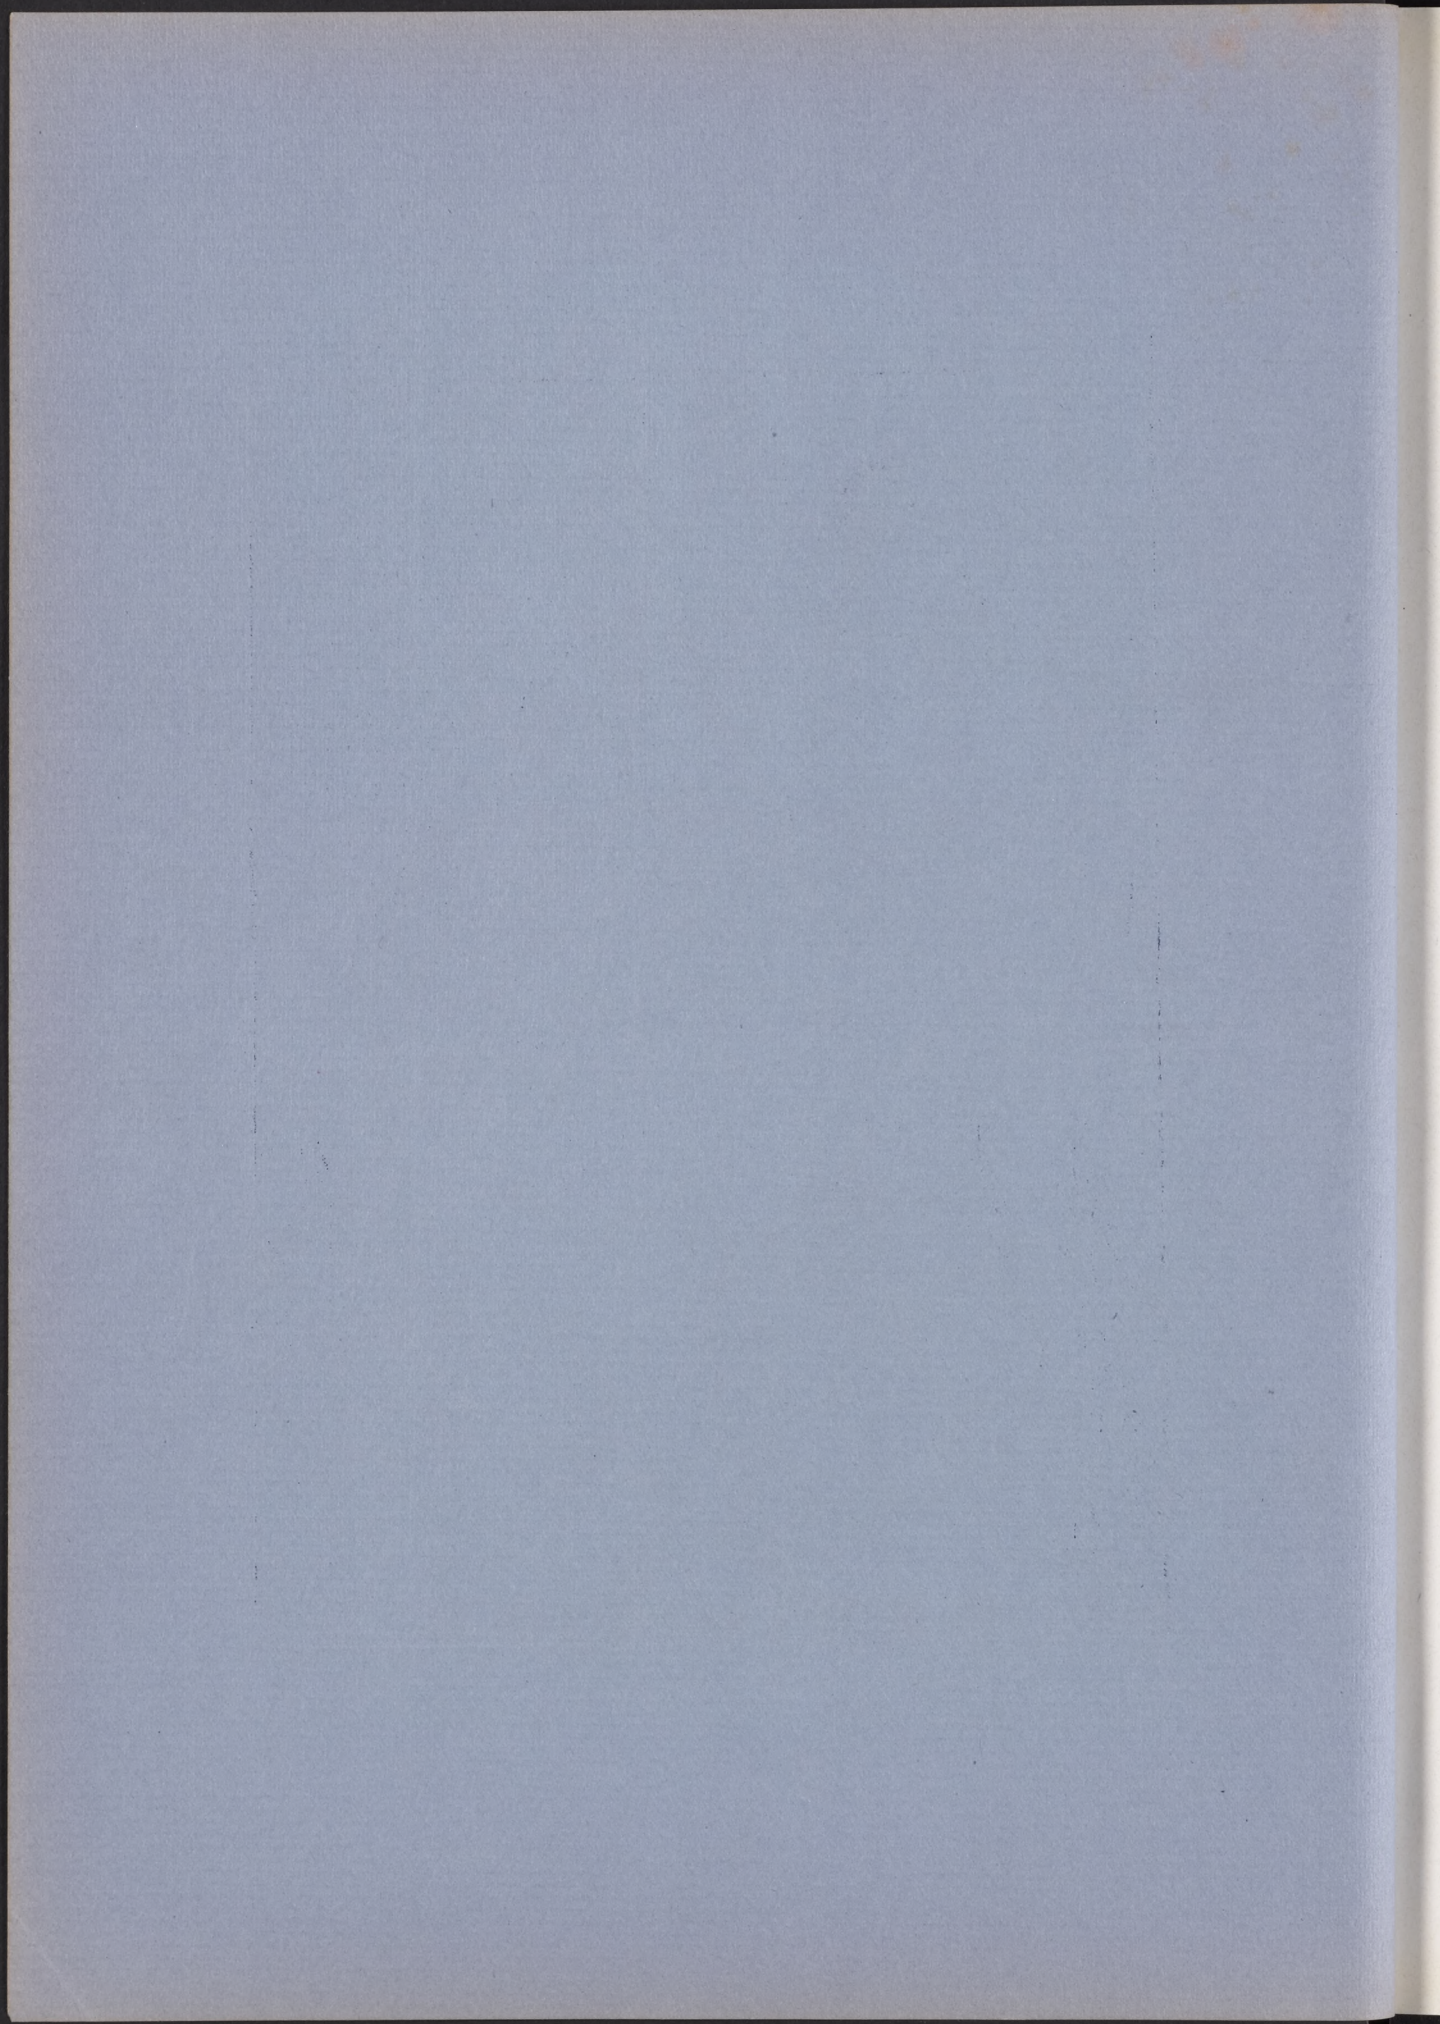

Ever since Washington Union High School has been in existence, it has contained a library. It has been only in the last four years, however, that we have had a librarian, who devotes all her time and attention to the development and improvement of our library. Over five thousand books may be found in this library and magazines which exceed seventy in number. At the end of each year the old periodicals and magazines are bound and kept for reference.

Due to lack of space the text-book room was converted into a class room with the result that the text books were placed in the library. This made things slightly crowded. Our library is excellent in character, and it contains all the material necessary for every department in high school. New additions are being made each year making it a bigger and better library.

### MESSAGE FROM THE PRESIDENT

We, the outgoing student body officers, come with no little regret to the moment when we must take our leave. It is at this point in our departure that we stop to think of both the past and the future.

We can look back on the past with a great deal of pleasure. There have been many outstanding successes during the year. The Thanksgiving ball was given by the student body and was an especially successful affair. The dedication of the new gymnasium was also an event of great importance.

When we look toward the future, we think of the things that can be accomplished and probably will be. The buildings will grow, more students will enroll, and our fine grounds will improve rapidly.

I want to thank the students for their loyal support, the members of the faculty for their indispensable guidance, all committees and advisors for their help, and anyone who helped the organization in any way.

—GEORGE COLEY.

The Girls' League is an organization composed entirely of girls for the purpose of promoting a spirit of friendship throughout the school. Since its organization in 1919, this league has successfully fulfilled its purpose.

The Girls' League holds an important part among other schools. Each year our delegates attend the annual convention.

This organization sponsors many activities during the year. The annual freshman reception is given in order to get the freshmen acquainted with the upper classmen. The Christmas party always brings joy and happiness.

Much gratitude is extended to Miss Sandholdt, their faithful dean, for her hearty cooperation and untiring efforts to make the Girls' League what it is today.

The Boys' League is an organization composed of all the boys in school. It was organized four years ago under the leadership of Mr. Hodges, the advisor.

The "Get Acquainted Day" is sponsored by the members of this organization, in order to get the freshman better acquainted with the upper classman, and to create a spirit of friendliness throughout the whole school.

The Boys' League was organized for the purpose of serving and improving our school in every way possible, and they have fulfilled their purpose.

## *Boys' "W" Club*

JOSEPH AVILLA .....	President
ROY SECADA .....	Secretary
HAROLD FARIA .....	Treasurer
MR. REGLI .....	Advisor

The Boys' "W" Club is composed of the boys who have earned their "W" in athletics.

They contribute their service to the school in every way possible. When the grammar schools have their play day, they conduct the field events and assist the children.

This organization has increased year by year, and looks forward to many successful years.

In order to become eligible to this organization, the new members have to go through some trying experiences. When the boys were initiated they had to strut around the school grounds with their pants rolled up to the knees, and a large "W" painted in red on their faces. In spite of the performance they have to undergo, they all look forward with great enthusiasm to the day when they will receive their "W", and become eligible to membership in this organization.

## *Girls' "W" Club*

ALICE SEQUEIRA .....	Secretary-Treasurer
MISS LISTON .....	Advisor

In 1928 the Girls' "W" Club was organized for the purpose of promoting better sportsmanship among the girls in our school. Its chief aim is to render service to the school.

The girls who have earned their "W" in athletics are the only ones who are eligible to become members of this organization. In former years a score of 500 points was required to earn the "W" but now the requirement has been raised to 750 points. Each time a student is a participant in a team she is entitled to 100 points. The organization has increased rapidly in membership.

On Thanksgiving, baskets of food and clothing are distributed to the needy families in the community by the members of this society.

This year the girls acted as hostesses to the girls from Hayward, Amador and Castlemont High Schools in girls' play-day which was established to develop better sportsmanship, and athletic abilities among the different schools.

The Scholarship Society of Washington Union High School was organized in 1925, as Chapter No. 111 of the California Scholarship Federation.

This society was organized for the purpose of giving recognition to the students who have achieved a high standard in their studies. The seniors who have attained a high standard during their four years in high school, receive the scholarship seal (gold seal) on their diplomas, and are presented with the gold C. S. F. pin at commencement. Every year delegates are sent to represent our school at the various annual conventions. The student body budget allows a certain amount of money for the expenditures of this organization.

Under the capable leadership of the advisors, Mr. Hodges and Mr. Solvasen, the scholarship society has attained its purpose, and has well represented its motto, "Scholarship for Service."

At the beginning of every semester the new members are initiated into this society. This initiation is enjoyed by new and old members. Due to the higher standard in marking, this organization has decreased in membership.

On May 14, the scholarship members entertained the student body with a short skit and other various selections. Scholarship week was sponsored by this society in order to create more interest among the students on the subject of scholarship.

## *The Hoot Owls*

MILDRED DURHAM	Président
HOWARD BLACOW	Secretary
JEWELL AMARAL	Program Chairman
MR. GRAVESTOCK, MISS KNOLES, MISS ROBERTS, MISS TAYLOR	Advisors

The debating club has adopted the name of "Hoot Owls." A Southern Alameda County Debate League has been established, and Mildred Durham, from Washington High, has been elected as its president. The participants of this league are, Hayward, Amador, Livermore, and Washington Union High Schools.

A debate was held between the students and faculty members and a great deal of interest has been aroused throughout the school in debating.

The Hoot Owls worked very hard with the aid of the advisors for the preparation of a debate which was held with Hayward High on April 17. The question for the debate was, "Resolved: That a Junior College Should Be Established and Maintained in Southern Alameda County."

The speakers were:

Affirmative  
Evelyn Marie Rose  
Edward Kettman

Negative  
Frances Anderson  
Howard Blacow

The "Hoot Owls" have maintained a great interest on this subject, and are striving to be the best amateur debaters of Alameda County.

## *The Hatchet*

Washington Union High School was awarded the first prize in the State Editorial contest, although it was the first time our school competed in this type of contest.

Under the able direction of Mr. Moore, the journalistic instructor, and the co-operation of the students, the Hatchet has shown a great improvement during the past year. Much credit is due to Mr. Kibby, who takes care of the printing that is done on this paper.

Since the first issue of this paper it has increased from a two column journal to a five column one. Formerly it was only published two or three times a year, but now it is turned out twice a month. The Hatchet supplies the students with the news of all the events that take place around the school, and also informs them about the activities of the various organizations.

A journalistic department was established in 1929 with Mr. Moore as the instructor. This class is chiefly composed of members who are interested in journalistic work, thus helping to make the Hatchet a bigger and better publication.

## *Penguins*

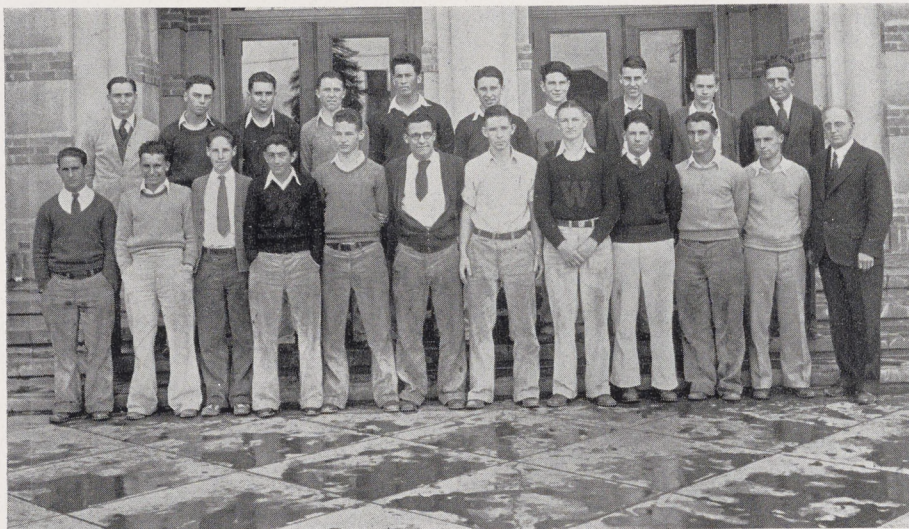

A literary club was organized this year for the purpose of giving the students an opportunity to display their writing ability. This organization has adopted "Penguins" as its name. The magazine which is to be published twice a year is called the "Inkling."

Eleanor Alt is the editor in chief of the "Inkling", and Howard Blacow is the Associate Editor. Two members from each English class are chosen to supervise the obtaining of articles for this magazine.

Much credit is due Miss Knoles who is working hard to make the "Inkling" an outstanding feature. The English department has established this organization for the benefit of the students, and to increase their interest in literature.

It is hoped that this magazine will be continued in the future, and that it will create a great interest among the students, and develop some distinguished writers.

The Hi-Y Club is a newly organized society composed entirely of boys who desire to render services to the school. Its purpose is to promote clean sportsmanship, clean speech, and a high moral standing among the students.

During the year this organization sponsors social affairs among its members. The new members are chosen by a unanimous vote of the society. They are admitted as members after a strenuous initiation. Together with the initiation, the new members were treated to a wiener roast by the old members.

The members of the Hi-Y Club assist in keeping the school grounds in perfect condition. A successful future is expected and it is hoped that this organization will always strive to reach its goal, as it has done in the past year.

## *The Operetta*

A Viennese operetta, "Pickles, or In Old Vienna," was successfully presented on April 10, by a large group of Washingtonians. Success of the evening was largely due to the hard work of Miss Lesda Sayles, director.

The setting is in old Vienna. Evan Orelli as Jonas H. Pennington, an American millionaire pickle manufacturer, with his daughter, June, or Barbara Laudenslager, arrive in Vienna at carnival time. Lady Vivian, a wealthy Englishwoman, portrayed by Sophie Swanson, also arrive on her annual quest in search of her daughter who was lost near Vienna when a baby. Kinski, Karl Nordvik, plots to substitute the lost child and marry her for her fortune.

A band of gypsies led by Harry Cieslak as Jigo arrive at the carnival with his supposed daughter, Elsie Silva or Ilona. Events all lead to the gypsy camp where a magic pool reveals the face of Lady Vivian's daughter.

Ilona is restored to her mother, Lady Vivian, who consents to become Mrs. Pennington. Leland Telles, a poor artist, wins recognition for his art and also the hand of June Pennington. Clarence Soito as Jones, the advertising expert for Pennington, is rewarded the hand of Ilona after his successful advertising campaign.

A fine chorus of singers supplemented the soloists.

The W. U. H. S. orchestra played the full score accompaniment which added to the success of the operetta.

## *Orchestra*

The progress of the forty-five piece orchestra of Washington Union High School has been remarkable in the past year. 'Without doubt the credit is due to Mr. John E. Kimber, for his steadfast work and earnestness to make it the state's best orchestra.

On May second the orchestra journeyed to San Francisco to compete in the state orchestra contest. This was the first time that California has sponsored a state-wide orchestra contest.

The group played at the Country Club, and made several appearances at the different high school plays. Especially fine selections were rendered when "Adam and Eva" and "Skidding" were presented. It also played the full score accompaniment for the operetta, "Pickles, or In Old Vienna."

The orchestra was organized in 1924 with thirteen players under the leadership of Mr. Ebert. Since then the orchestra has been growing and progressing by leaps and bounds.

## *Band*

The well known Washington band, composed of some eighty-five players, has just completed its fourth successful year after its organization in 1927.

With the completion of the new gymnasium, the band struck off the first chord of joyous tidings which marked Washington's most memorable event of the year.

During the athletic season the band was always on the bleachers striking out peppy marches and the school song, which helped put spirit into the players.

On May 8th, 1931, the group went to Sacramento to compete in the State Band Contest in search of more honors for the school.

The W. U. H. S. band is scheduled to play at the opening of the Sunnyvale Naval Airbase on July 4.

Owing to the patient and earnest work of Mr. John E. Kimber, our instructor, the band has developed to be one of the great prides of the school.

SEATED—Sophie Swanson, Olivia Foster, Arlene Oliveira, Aileen Steinhoff, Judith Gronley, Miss Nicely, Director.  
STANDING—Edward Bimemiller, George Coley, Wallace Pond, Clarence Lucas, Bolivar Lerma.

## *Senior Play*

A capable cast chosen from the Senior class presented "Skidding," a three act comedy, on May 15. This successful play was directed by Miss R. Aubrey Nicely.

A picture of a modern American family life was portrayed. This is a story of a college girl who falls in love just as a career is opening up to her and the difficulties she has in adjusting her romance. Marion Hardy, the modern college girl, was cleverly portrayed by Aileen Steinhoff. George Coley as Wayne Trenton III played opposite her as the boy friend. Clarence Lucas as Andy, the adorable lad, with his first "case" kept the audience in a gale of merriment with his humorous observances. Edward Bimemiller seen as Grandpa Hardy touched everyone's heart with his absent-mindedness and his reminiscences about Grandma.

The others on the cast were Arlene Oliveira as Aunt Milly; Sophie Swanson, Mrs. Hardy; Wallace Pond, Judge Hardy; Judith Gronley, Estelle Hardy Campbell; Olivia Foster as Myra Hardy Wilcox; and Bolivar Lerma as Mr. Stubbins.

The music of the evening was provided by the W. U. H. S. Orchestra under the direction of Mr. John E. Kimber.

TOP ROW—Paul Aust, Walter Beveridge, John Munger, Gordon Pond, Evan Orelli, Manuel Reina.

BOTTOM ROW—Theo Elliot, Mildred Durham, Miss Nicely, Patricia Duffy, Jewell Amaral.

## *Student Body Play*

"Adam and Eva", by Guy Bolten and George Middleton, was presented by a well chosen cast in a true professional style, on March the thirteenth. This three-act play was one of Washington's best dramatic productions. It was ably directed by Miss R. Aubrey Nicely.

It is a bright and amusing play of the American business man who has a genius for making money, but not a trace of talent for managing his own family.

The leading girl, Patricia Duffey, portrayed her part well as Eva King, daughter of Mr. King, who is unable to manage his family affairs. Evan Orelli, who played opposite her, showed his skill in managing the domestic affairs as well as being a genius for making money. Bits of laughter were provided by Gordon Pond as Uncle Horace.

Others in the cast were as follows: Theo. Elliot as Julie De Witt, wife of Clinton De Witt or Paul Aust; Mildred Durham as Aunt Abby; Jewell Amaral, Corinthia the maid; Joseph Fyffe, Dr. Delameter; John Munger, Lord Andrew Gordon.

The widely known W. U. H. S. orchestra also had its share of the praise for the beautiful selections rendered during the intermissions.

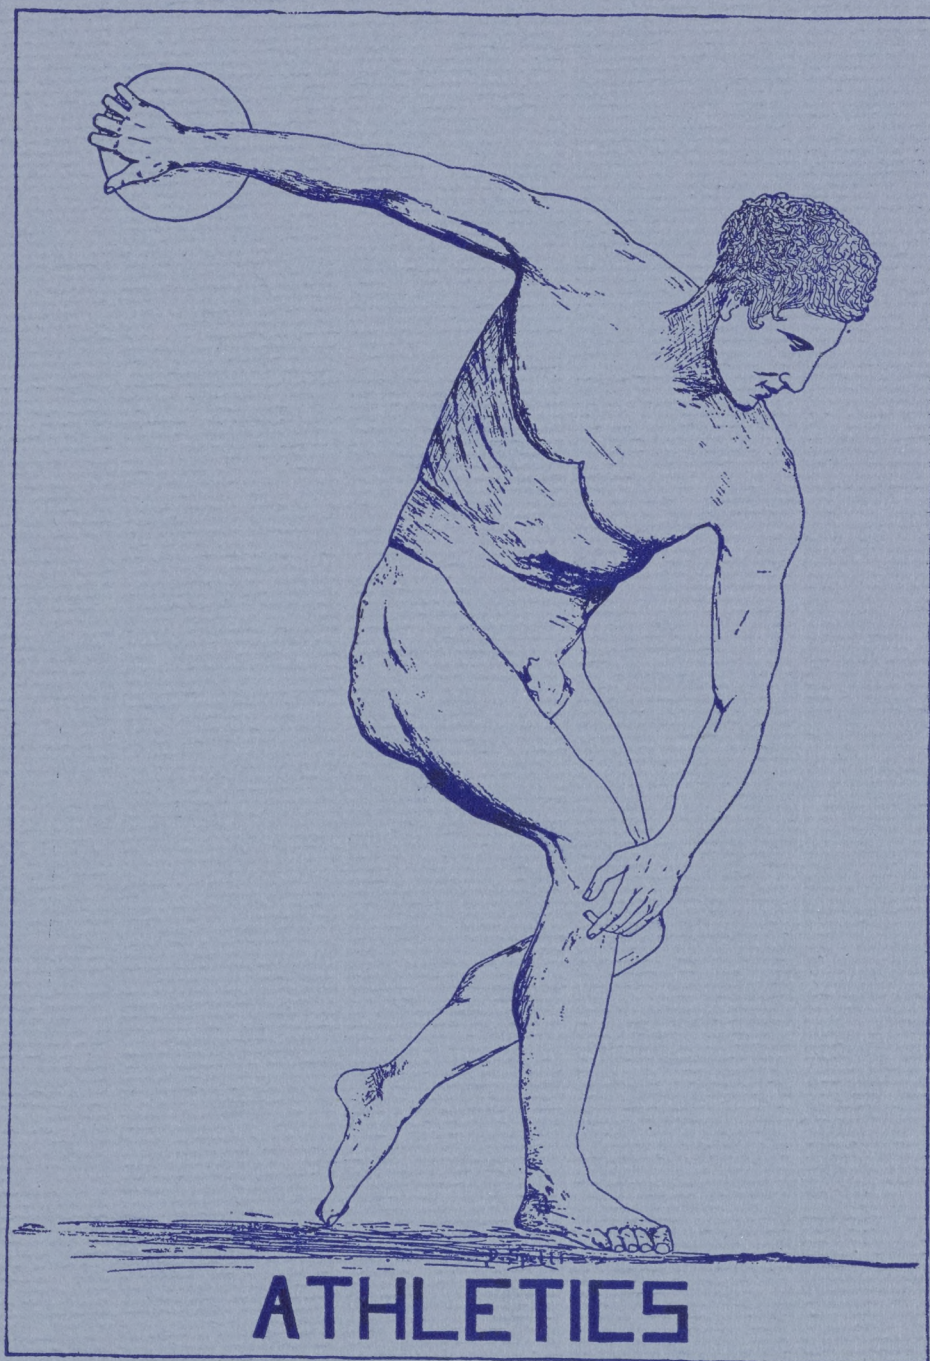

SEATED—Sophie Swanson, Roy Secada, Agatha Willis, Glenn Trout.  
STANDING—W. Pond, E. Alt, L. Luna, A. Sequeira, Mr. E. B. Hodges, D. Spetti, I. Sequeira,

The Washington High Faculty Basketball team with two victories and no defeats finished the season with a perfect score. Much hard playing was necessary to score the close victories over the Hayward Faculty.

Mr. Webb and Assistant Coach Maloney were unequaled in their position as forwards. Coach Regli proved his athletic ability by his performance as center. The guards, Mr. Moore, Mr. Hill, and Mr. Gravestock, as substitute, contributed their no less capable performance to make the team a success.

Due to a late start in training only two games were played. The team is planning an early start for next season and looks forward to greater achievements.

## Track

The 1931 track season brought Washington a championship track team of which we should be proud. Not only was the league championship won but the teams were undefeated throughout the season. This certainly was a record-breaking achievement.

Our "A" team was constantly giving the students reasons to cheer. Many records were set and the team always worked hard, to score points for Washington High.

The "B" team, victorious by a large margin in every set, also won the title, "Undefeated Championship Team." The scores in themselves tell the story of how they did it. Let us hope that the teams of the future will equal and even better the record of the 1931 track team.

## Baseball

Our baseball team reached great heights of achievement. After winning the league championship by a victory over our Hayward rivals, Alameda was conquered to win the Alameda county championship. The winning of the county championship and the forfeiture of Contra Costa county made Washington the chief contender for the North Coast championship.

This game was played against San Jose High on May 15 and was won by Washington with a score of 9 to 5.

Much credit is due our boys and our coach. The boys have worked hard all season always trying to better their game. Every game the boys played hard, clean baseball; which is the result of the training of our coach.

For the first time in Washington High School, interclass games were held. This experiment proved to be a great success, and we hope it will continue in the future. At the dedication of the gymnasium the seniors and juniors played the last interclass basketball game. The seniors were victorious.

A few weeks later the women faculty team "Pirates" played a game with the seniors. It was a great game, but the seniors showed their superiority by winning.

## Girls' Speedball

Speedball was started two years ago, and each year the students have played harder and have become more enthusiastic about the game. Interperiod speedball games were played. After a hard struggle the second period team gained the championship by defeating the sixth period team with a score of two to nothing.

BASEBALL CAPTAINS—Helen Corriea, 2nd pd.; Agnes Ramos, 1st pd.; Alice Sequeira, 6th pd.; Miss Liston; Aldina Perry, 5th pd.; Irma Dutra, 4th pd.; Mary Franco, 3rd pd. (not in picture).

## Baseball

During the year the girls have enjoyed their numerous sports, as well as learning a great deal about them through the instructions of the coach, Miss Liston.

As the last sport of the year, the girls played their best to have their team be the champion in baseball.

## *School Song*

*Here we come with a toast and song  
To the school that we love so well.  
We love its spacious halls and grounds,  
Its mem'ries make us thrill;  
But our fondest thoughts when years have run  
Will be of teams and vict'ries won!  
Each man a loyal son! Hail to old Washington!*

### *Chorus*

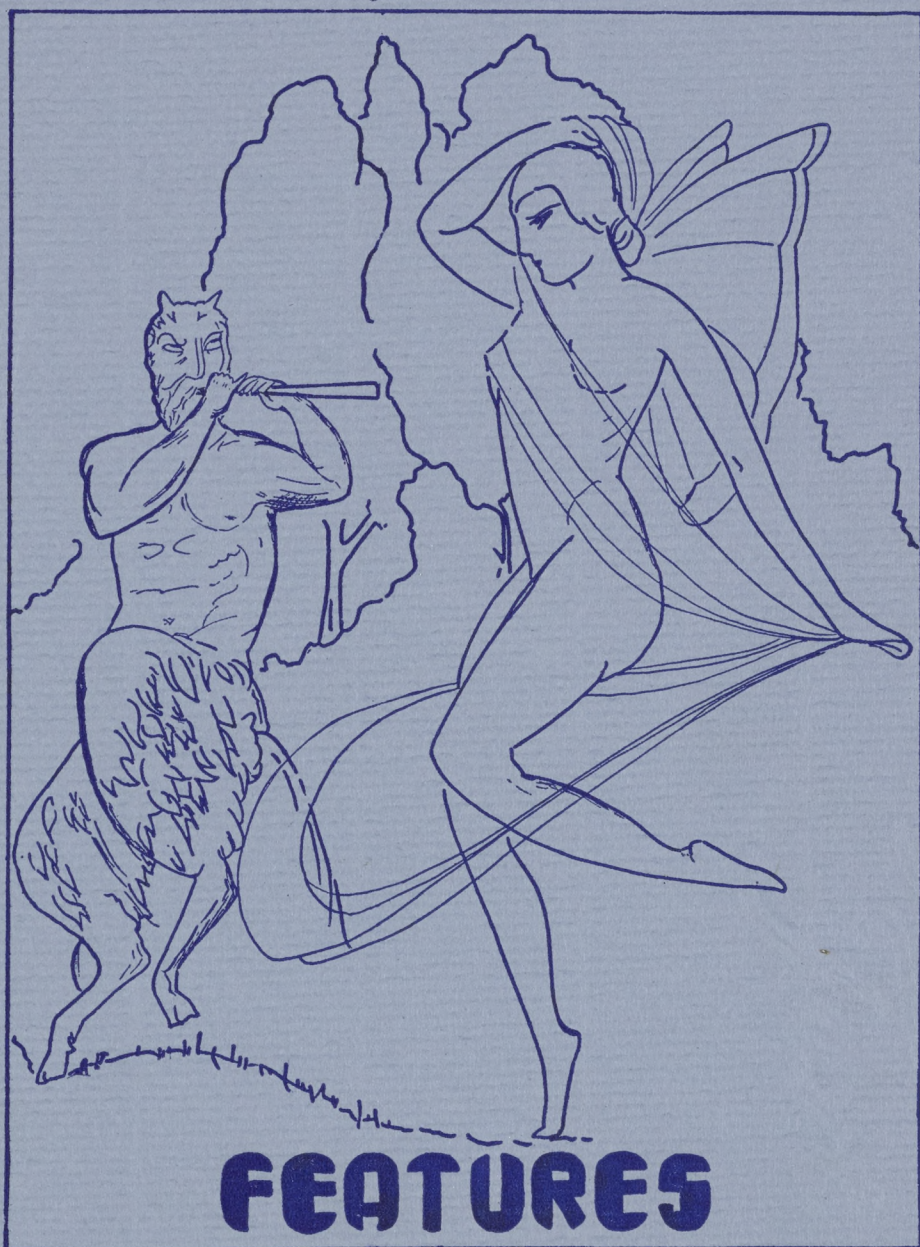

*Washington Union High our bats are off to you!  
Clean, fair players, fighters through and through;  
We'll cheer for every man, we'll root for every stand  
That's made for old Washington! (Yell) Rab! Rab! Rab!  
Watch our team go tearing down the field!  
Men of iron whose strength will never yield.  
Hail! Hail! Hail! Hail!  
Hail to old Washington!*

## *Washington Union High School Hymn*

*To thee, our Alma Mater,  
Once more we lift our voices;  
Dear Washington! At thought of thee  
Each loyal heart rejoices!  
Where'er our lives may lead us,  
Whatever future years may bring,  
To walk again thy halls  
Thy praises we will ever sing!  
Thy name we'll always cherish!  
To thee we proudly sing!*

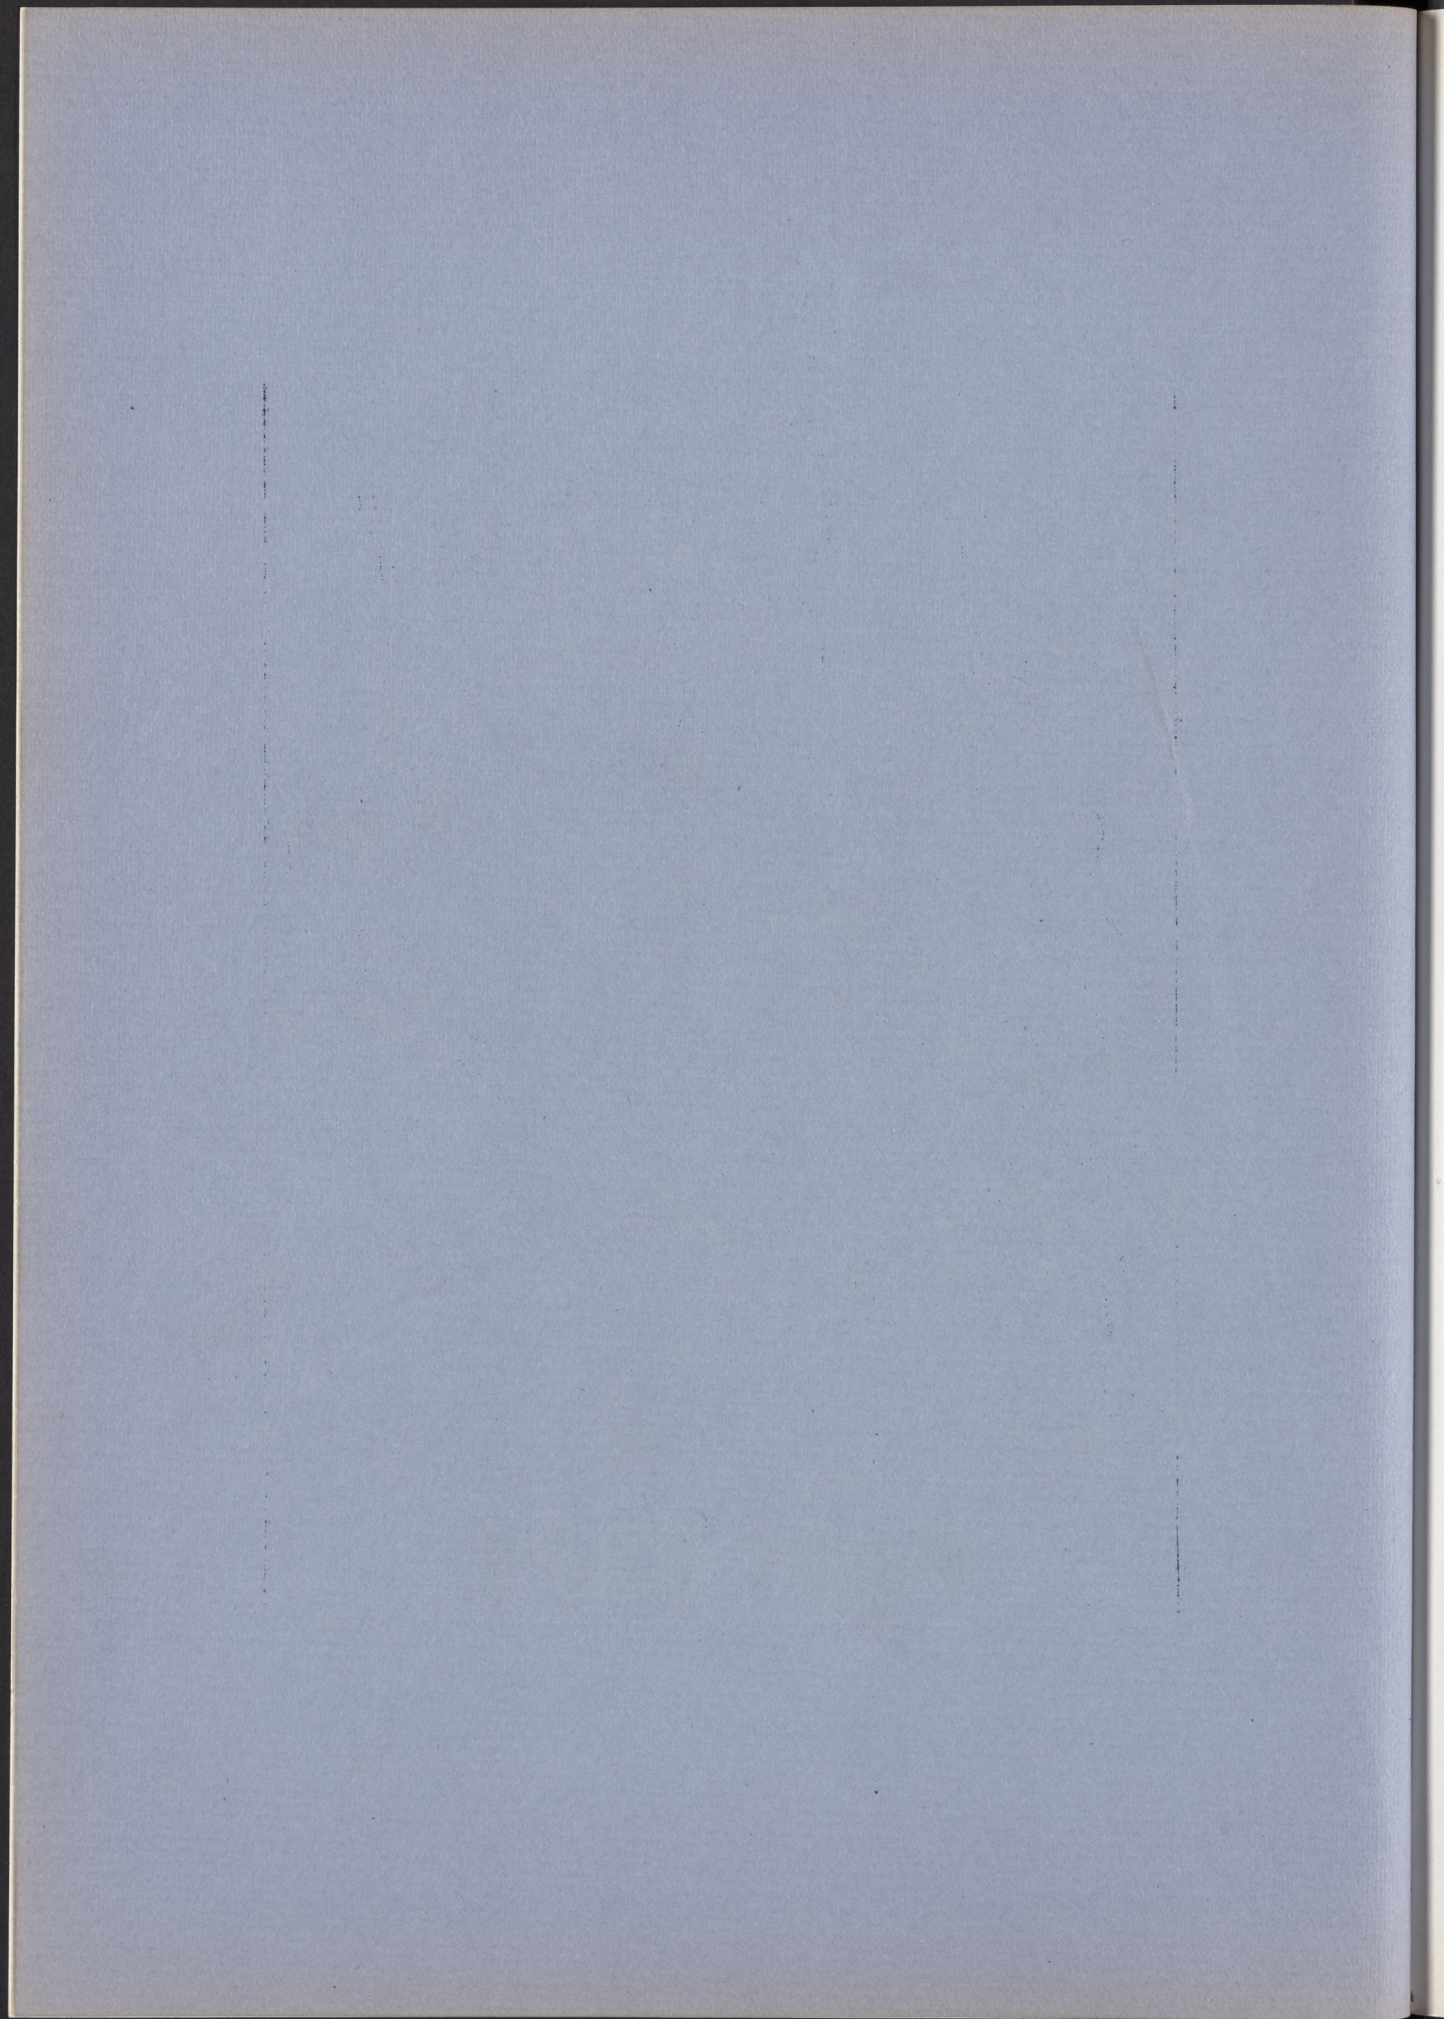

*Some of us still are learning  
Within thy sheltering walls,  
And some are sadly yearning  
Thy name we'll always cherish!  
Dear Washington! Forever  
To thee our love will cling!  
Thy name we'll always cherish!  
Thy praises we will ever sing!  
Thy name we'll always cherish!  
To thee we proudly sing!*

## *Social Events*

### *Grand Opening of the Gymnasium*

On October 30, 1930, the Washington Union High School gymnasium was inspected, admired, and praised by the public.

The Washington Union High School band, directed by John E. Kimber, started the program for the evening with two marches. Many athletic activities took place: girls' interclass basketball game, volleyball contest between Centerville and Hayward Athletic Clubs, and basketball game between two Hayward teams.

Several local speakers gave short talks. The ceremony ended after the band played several musical numbers.

### *Sophomore Party*

The first party of the school year was the Sophomore party, which was also the first held in the new gymnasium. The music was furnished by Rendon's Musical Entertainers. The gym was attractively decorated. Since it was a Hallowe'en party, no one was greatly surprised to see tombstones and other gruesome things about the hall. Everyone enjoyed the party and was reluctant to leave when the time came to go.

### *Teachers' Debate*

Everyone looked forward to the faculty versus the Hoot Owls debate which was held at a special student meeting on November 14. The question was, "Resolved, that there should be no home work over the week-end." The students had the negative side, and put up a good argument. It is believed, however, that their hearts were not in it since the faculty won the debate. Miss Sandholdt presented her argument from a teacher's viewpoint, Mr. Hill gave his from a student's viewpoint, and Mr. Webb told the way a parent was affected by the question.

### *Thanksgiving Ball*

The Thanksgiving Ball, which is an annual affair, was given by the student body on Wednesday, November 26, in the gymnasium. It was very successful. The music was furnished by Roy Secada's orchestra. The gymnasium was attractively decorated with Thanksgiving decorations. Those present were refreshed by punch served from a log cabin.

Midnight brought to a close a very delightful and successful evening enjoyed by everyone.

### *Book Week*

Excitement reigned in every class and in every nook of this school during the Book Week celebration which started Monday, November 17, and ended Friday, November 21, 1930.

The celebration reached its climax on Friday, when the students dressed up to represent some character from a book.

A grand parade took place during the afternoon assembly, and a book prize was given to the person best representing a character.

Another feature of the week was a fine poster contest for which prizes were also awarded.

### *Get Acquainted Day*

On November 24, 1931, the Boys' League entertained the student body.

Since the league has been organized, it is customary to give some little social event in honor of our new-comers. This event brings the classes together and makes the freshmen feel at home. Stunts and games were put on by the different classes.

Upon being interviewed, Frank Mattos, president of the Boys' League, stated, "We ought to call the Get Acquainted Day the Roughts' Day this year." It was a bigger and better event, for there were more games and stunts than ever before.

### *Christmas Party*

The Girls' League entertained the student body at an annual Christmas party on December 12. The entertainment consisted of a stunt from each class and musical numbers. Delicious refreshments were served after which dancing was enjoyed. Roy Secada's orchestra furnished the music which added to the attraction of the event.

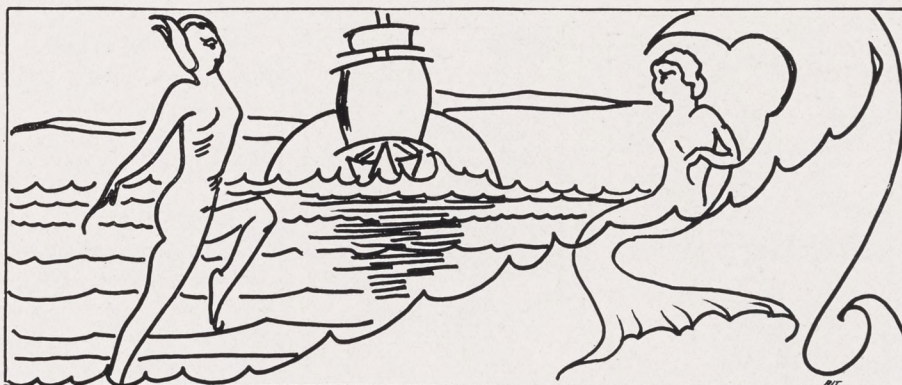

### *Freshman Party*

The freshmen held their annual party at the gymnasium on Friday evening, January 16, 1931.

More than 60 freshmen attended, including their advisors.

Dancing proved to be the most popular event of the evening, although a group of boys were rather bashful about admitting their skill in fox trotting or waltzing. Games were provided for the other boys and girls who didn't want to dance. The evening was considered a success by all who attended.

### *Play Day*

The girls of Hayward, Amador, and Washington Union High Schools took part in a play day sponsored by the Girls' "W" Club of Washington High School on April 25.

Each girl of Washington was assigned as a hostess to one of the guests of the visiting high schools. The program for the morning was divided into periods. The games that were played were the following: darts, croquet, baseball, basketball, volleyball, and track events.

During the luncheon, refreshments were served. There were speeches and stunts to conclude the successful event.

### *Junior-Senior Promenade*

The junior class entertained the seniors at a promenade on May 22. The affair was held at the gymnasium. It was beautifully decorated with flowers and pastel colors. Between dances punch was served. The music was furnished by the MacDonald orchestra of San Jose.

The efficient arrangements of the committee in charge and the assistance of their class advisors made possible a very delightful evening for all who were fortunate enough to be present.

### *Fashion Show*

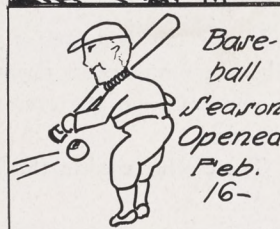

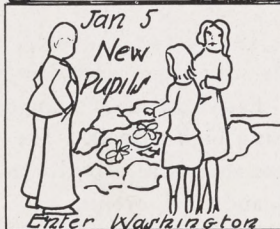

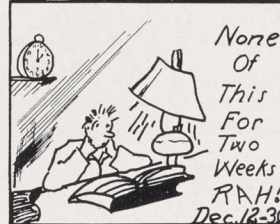

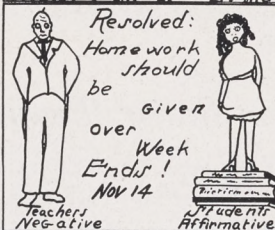

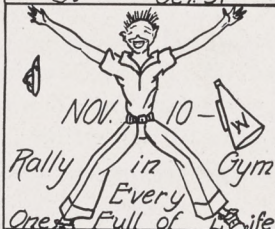

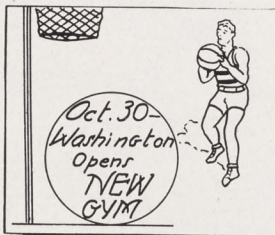

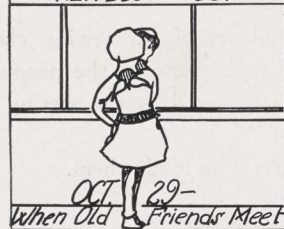

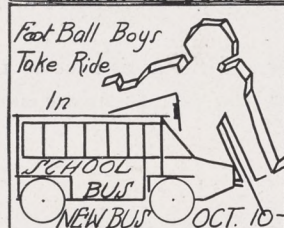

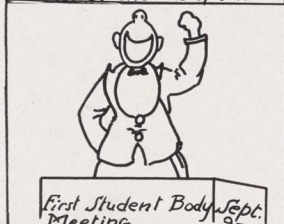

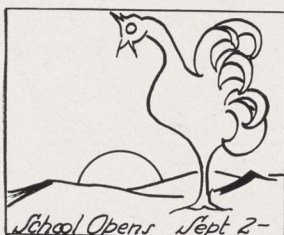

Under the direction of Mrs. Josephine Morris, the students of the sewing classes of the home economics department presented their annual style show to the people of the community on the evening of May 27. A lovely scene served as the setting for the models.

The clothes used in this show were worn by the students who made them.

### *Senior Ball*

The last social event for the term is the senior ball, which is to be held at the gymnasium. This dance gives the seniors an opportunity of bidding "farewell" to all.

## *Football Is Tame*

*First a signal, then a thud  
Then your face is in the mud.  
Twenty-one pile on your back;  
'Till you fear some bones will crack  
Close to your ears a whistle blows.  
But that's the way football goes.  
Twenty-one climb off your frame.  
Someone said, "Football is tame."*

*Another signal, another whack,  
The line is given another crack.  
The fans and fannettes loudly shout,  
The water boy comes scooting out.  
Someone drags you to your feet.  
As a freshman hollers, "Come on Pete."  
And now you feel so sore and lame.  
Cause someone said, "Football is tame."*

*Another signal, another whack,  
A whistle blows, and they line up,  
To do or die for Washington.  
The ball is snapped, the game goes on—  
Our halfback holds the ball so tight  
And runs and runs with all his might  
It's over, and we've won the game,  
Two killed, but then—"Football is tame."*

A red-haired boy applied for a job in a butcher shop. "How much will you give me?" he inquired.

"Three dollars a week, but what can you do to make yourself useful around a butcher shop?"

"Anything."

"Well, be specific. Can you dress a chicken?"

"Not on \$3.00 a week," said the boy.

Old Gentleman (bewildered at the elaborate wedding): "Are you the bridegroom?"

Young Man: "No, sir; I was eliminated in the semi-finals."

"Say, mister," said Springer to a next door neighbor, "are you the man who gave my brother a dog last week?"

"Yes."

"Well, ma says to come and take them back."

Book Agent: "Now that your boy is going to school you ought to buy him an encyclopedia."

Mr. Mette: "Not on your life—let him walk the same as I did."

## *Conclusion*

The eighth Washingtonian has become a finished product. It is the result of one year of intensive work on the part of the editor and staff. Whether or not it is worth the time, effort, and money spent, rests with you. We ask you to be tolerant of any weakness you may detect.

A year book could not attain any great degree of success were it not for the willing cooperation of many people besides those on the staff. We wish to express our whole-hearted thanks for these services. Appreciation for engraving, binding, and printing, is due Mr. Smith of Modesto. Credit for photography goes to Mr. A. de Martinez of Schwartz's Studio of Oakland. Mr. Williamson, correspondent for the Oakland Tribune, has also given us his help. Faculty members have helped in many ways. Our gratitude is extended especially to our class advisors and to Miss Nicely, director of the Senior play. The members of the senior class have done their best in helping to make this year book a success.

If you find in our Washingtonian something of beauty, something of interest, anything to rouse happy memories in years to come, we shall consider our time well spent.
